

# Homemade Foam Paint

By DabblesandBabbles.com

## Ingredients:

Shaving cream  
Craft/School glue  
Food coloring  
Ziploc bag  
Pencil/Pen/Crayon/Marker  
Paper/Canvas/Cardboard

1. Add equal amounts of Shaving cream and Glue to the ziploc bag.
2. Add the desired amount of food coloring to get the color you want.
3. Seal the ziploc bag and squish the ingredients until it is well mixed together.
4. Use a pencil/marker/crayon/pen to draw out a design your artist wishes to create on a piece of paper/canvas/cardboard.
5. When you are ready to create, cut a corner off the ziploc bag and squeeze like you are piping frosting.
6. When the art piece is finished, set aside to dry overnight!
